

FOR IMMEDIATE RELEASE

Statement on COVID-19

ELK GROVE VILLAGE, Ill., March 19, 2020

Dear Valued Customers & Partners:

With the outbreak of COVID-19, and the governmental measures to help contain the spread of the virus and protect public safety, PMI KYOTO Packaging Systems is committed to minimizing the impact to its customers, while also taking every necessary precaution to protect the health and safety of its employees.

As we continue to closely monitor and review daily updates on this situation, **we are fully operational and have taken all measures to remain so.** We remain committed to fulfill and manufacture all machine and parts orders and provide service to our customers as best as possible during these challenging times. Our team is working with our partners and vendors to ensure the reliable, timely supply of materials in order to adhere to scheduled lead times. **PMI KYOTO is positioned to continue to support industry demands and fulfill future orders.**

Communication is very important during this time. We ask that all of our customers, suppliers, associates and partners continue to share important updates, news or measures. Our team promises to do the same so that we can all take immediate action to adjust and remedy any potential situations that need to be addressed.

As always, we appreciate your trust, partnership and continued business. Our entire team is committed to you and our industry. Together, we will win over this unprecedented crisis together.

Wishing you good health and safety.

Branko Vukotic
President

About PMI KYOTO Packaging Systems

PMI KYOTO Packaging Systems was formed after PMI Cartoning, Inc. was acquired by Kyoto Seisakusho Co., Ltd. in July 2018. The company offers a complete line of vertical and horizontal cartoners, case packers and integrated packaging systems for the food, beverage, cosmetic, confectionery and pharmaceutical industries, among others. Application and product handling experience allow PMI KYOTO to excel with applications involving high speeds and difficult-to-handle products. PMI KYOTO's three locations, including a 100,000-sq-ft manufacturing, engineering and testing facility, are located just outside of Chicago. Learn more at www.pmikyoto.com
